

Sponsor Packet - October 2026

Hotel Vernal Haunt is back for its final year of fear, frights and fun! We invite you to be a part of this exciting charity and community event.

Thanks to the sponsors and the community support, the Haunt has been very successful the past eight years donating **\$457,000** to 23 local charities.

The Haunt committee is excited to host during the final year, in the infamous Lamplighter Hotel on Main Street in Vernal. With the new scares, chills and lurking creatures, this year is set to be the most frightening yet!

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they
